

## Curriculum Vitae

### Stacey McCullagh

Brain Injury and Complex Needs Case Manager

Specialist Nurse Practitioner

- BSc (Hons) Specialist Community Public Health Nursing, Sheffield Hallam University
- Advanced Diploma in Nursing Studies, Sheffield Hallam University
- Health Visitor, Nurse Prescriber

#### **Membership:**

BABICM - (British Association of Brain Injury Case Managers)

HCPC Registered

Stacey is a Registered Adult Nurse, Nurse Prescriber (v100) and Specialist Community Public Health Nurse (Health Visitor) with experience of working with children and adults with a diverse range of conditions and needs. She is dedicated to her work and passionate about delivering a high level of service at all times.

Stacey has significant experience of working within the medico-legal services. She draws on her experience of working in an occupational health setting, where she carried out health assessments for individuals unable to work due to health conditions. She is skilled at identifying the obstacles preventing people from returning to activities and work, and making recommendations to address the issues. She has in-depth knowledge and experience of statutory assessments for health and disability benefits.

Stacey has experience of report writing, communicating with legal teams and managing a complex caseload. Stacey has worked as a Health Visitor in the community undertaking in-depth health assessments for children under 5. Working with families she applied diverse skills including addressing healthy lifestyles, substance misuse issues, breastfeeding, safe sleep advice, and managing long term conditions.

Working independently in the community managing a busy caseload, Stacey has experience of managing issues such as safeguarding and complex needs within families, while using a person centred and rehabilitative approach.

As both a qualified children's' and adult Nurse, Stacey has worked throughout the Sheffield Hospitals on a variety of wards. She has supervised other staff while working as a Team Leader.

## Key Skills:

- Excellent communication - able to build rapport with clients quickly and effectively both face to face and via telephone
- Report writing - able to document effectively and concisely
- Case management and assessment - assessing clients, identifying and addressing needs, utilising sound clinical judgement, and adhering to best clinical practice
- Excellent organisation - diary and workload management, ability to work autonomously, meeting challenging targets and deadlines
- Problem solving - ability to use initiative to overcome obstacles

## Curriculum Vitae

### Lyndy-Lee Green

#### Brain Injury and Complex Needs Case Manager - Advanced Registered Practitioner

#### Registered Occupational Therapist

- BSc (Hons) Occupational Therapy (2006) Sheffield Hallam University
- Certificate in Advanced Practice, Cognitive and Perceptual Processes in Child Development (2012) Sheffield Hallam University
- Additional role: Peer Assessor for the British Association of Brain Injury Case Managers

#### Membership:

BABICM - (British Association of Brain Injury Case Managers), Advanced Registered Practitioner

BABICM Professional Standards Group

HCPC Registered

Lyndy has expertise in working with clients and families following catastrophic injuries and she works with children and adults. She draws on her experience of working as a brain injury rehabilitation Occupational Therapist, as well as her years working in Paediatric occupational therapy.

She has experience in managing clients with complex and varying needs, from those with more hidden difficulties, to those with profound physical and cognitive difficulties. She has experience in setting up support packages including complex 24 hour packages, and coordination of individually tailored multidisciplinary services and rehabilitation teams.

Lyndy has a wide range of medico legal knowledge and experience in attending court hearings, and providing witness statements and costed reports.

Lyndy is an advanced member of BABICM, and has provided a key role as the Advanced Membership Assessor within BABICM, as part of the Professional Standards Group. This assessment process allows a Case Manager to evidence that they are skilled and experienced enough to become an Advanced Registered Practitioner.

#### Career Pathway

Her career as an Occupational Therapist commenced following her attainment of a Bachelor of Science BSc (Hons) in Occupational Therapy at Sheffield Hallam University in 2006. She had developed a special interest in brain injury rehabilitation while working as a Paediatric Assistant Occupational Therapist at the Sheffield Children's Hospital Trust community services. This involved working with children with complex

neurological conditions in the hospital setting, within their own homes, as well as in specialist and mainstream schools.

Lyndy specialised in neurodisability, taking up a post as an Occupational Therapist in a brain injury rehabilitation unit where she worked with a wide range of clients, from their discharge from acute services to reintegration in the community, working as part of a specialist multidisciplinary team.

She then joined the case management team at a leading case management company in the north of England, and remained there for 10 years, progressing to Senior Case Manager where she held a complex caseload and supervised a team of Case Managers.

### **Training and Professional Development:**

- Lyndy has managed teams of case managers, has regularly delivered training to colleagues, and has presented at conferences for professionals within the field of brain injury and neurodisability.
- She has had a study published in the Journal of Social Care and Neurodisability, 2012.
- Lyndy has continued post graduate study, undertaking a Masters level module in Cognitive and Perceptual Processes in Child Development.
- She served time as an Advanced Membership Assessor for BABICM, dedicating her time and expertise to promoting quality and development within the profession.

### **Resume of Career Pathway to date:**

- 2016 -** Advanced Registered Practitioner Case Manager, Case Management Solutions Ltd
- 2014 - 2016** Senior Case Manager, Children and Young People's Team, JS Parker Ltd Case Management and Rehabilitation Services
- 2013 -** BABICM Advanced Membership Assessor
- 2012 - 2014** Senior Transitions Case Manager, JS Parker Ltd Case Management & Rehabilitation
- 2007 - 2012** Case Manager JS Parker Ltd, Case Management and Rehabilitation Services
- 2006 - 2007** Occupational Therapist, Traumatic Brain Injury Rehabilitation Unit, Stocksbridge Neuro-rehabilitation Centre,
- 1999 - 2006** Paediatric Assistant Occupational Therapist, Ryegate Children's Centre, Sheffield Children's Hospital NHS Trust

## Curriculum Vitae

### Melissa Marum

#### Brain Injury Case Manager

#### **Current role: Brain Injury and Complex Need Case Manager, Case Management Solutions Ltd**

##### Qualifications:

- Trainee Registered Social Worker
- BSc (Hons) Social Work practice (to be completed 2022) Open University
- Certificate of Higher Education in Health and Social Care 2020 (Current)
- Health and Social Care Studies Access (Distinction) 2018

##### Member of:

- **British Association of Brain Injury Case Managers (BABICM)**
- **Headway, The Brain Injury Association**

Melissa has worked in brain injury services for over 10 years and has experience of working with clients with a wide variety of neurological conditions. She has specialised in working with children with brain injury, cerebral palsy and complex needs.

She has a wealth of expertise in working with clients with brain injury, neurodisability and complex needs, and specialises in settled cases. Melissa has experience in the assessment and preparation of costed case management reports, recruiting and managing teams of Support Workers, and coordination of individually tailored multidisciplinary services and rehabilitation teams.

She draws on her experience of working within brain injury rehabilitation services as well as her time spent delivering core case management. Melissa has an excellent rapport with all of her clients, and demonstrates professionalism and creativity in her work. She is thorough, dedicated, and experienced at managing post trial cases efficiently and in a client centred manner. She works confidently with a range of professionals including Therapists, Schools, Personal Injury Solicitors and Court of Protection Deputies.

##### **Career Pathway**

Melissa started working in brain injury rehabilitation services as a team administrator, and then moved into case management services where she performed key aspects of core service provision, gaining an

excellent understanding of brain injury and of delivering client centred, cost effective and outcome-focused services. She has experience of independently managing a caseload of post trial cases, and co-works with pre-trial cases, further developing her skills and experience with the medico-legal aspects of the role.

#### **Training and Professional Development:**

- Melissa is currently completing her training as a Qualified Social Worker, and aims to utilise these skills in her ongoing work as a Case Manager for people with brain injury and complex needs.

#### **Resume of Career Pathway to date:**

**Jan 2020 - present:** Post Trial Case Manager for children and adults, Case Management Solutions

**Mar 2017 - Dec 2019:** Team Case Manager, Children and Young People's Team, JS Parker Ltd Case Management and Rehabilitation Services

**Dec 2013 - Mar 2017:** Support Services, Children and Young People's Team, JS Parker Ltd Case Management and Rehabilitation Services

**Feb 2012 - Sep 2012:** Occupational Therapy Team Administrator, JS Parker Ltd Case Management and Rehabilitation Services

#### **Experience and skills:**

- Brain injury
- Cerebral palsy
- Complex disabilities
- Children and young people
- Education and Health Care Plans
- Welfare benefits
- Learning disability
- Transition (young people to adults' services)
- Support Worker recruitment, training and management
